ABOUT US

Our company, founded in Greece, proudly owns and licenses the **Greenwich Polo Club Eyewear brand**, a symbol of timeless elegance and superior quality. With over 30 years of expertise, we offer premium Italian-made collections that blend **luxury, style, and functionality**. Featuring over 500 meticulously crafted optical frames and sunglasses, we cater to diverse tastes with a focus on durability, comfort, and sophistication.

Driven by innovation, we aim to expand across Europe and solidify our position in the luxury eyewear market. Showcasing our brand at renowned exhibitions like SILMO and MIDO, we continue to uphold the legacy of **Greenwich Polo Club Eyewear**, delivering products that inspire confidence and represent a distinguished lifestyle.

MANUFACTURING

GNM Vision manufactures its eyewear in Italy, adhering to the highest standards of quality and craftsmanship. Every piece is created with precision, blending timeless design with strict adherence to international standards, ensuring exceptional style, durability, and performance.

VISION

To become a recognized leader in the European eyewear market by promoting the timeless elegance and quality of Polo Eyewear, redefining luxury and style for our customers

MISSION

To provide high-quality, fashionable eyewear that embodies sophistication and functionality, serving B2B stores and wholesalers with unparalleled service and exclusive Polo Eyewear collections, while expanding our reach across Greece and beyond
